**Sub: Discrepancy in Aadhaar Card No. 4459 9313 6623**

It has come to the notice of the Wrestling Federation of India (WFI) that a complaint has been received against Woman Wrestler Ekta Kumari, D/o Sh. Dharampal (DOB: 01/01/2007), who represents Churu Rajasthan State in National Wrestling Events.

The Aadhaar Card bearing number 4459 9313 6623, submitted by Ekta Kumari, has been found to also belong to another individual, Ekta, D/o Sh. Rajesh (DOB: 12/12/2002), who belongs to Bhiwani, Haryana. This duplication is highly irregular, as a single Aadhaar number cannot be assigned to two different individuals.

The matter is currently under investigation to determine how this Aadhaar Card was manipulated. The case has been forwarded to the relevant Aadhaar authorities for verification. Any individual found guilty of misrepresentation or fraudulent activities will face necessary disciplinary action as per applicable rules and regulations.
